About Gimaş

Over 30 years, we constantly pursue excellence and quality through teamwork, continuous improvement, customer satisfaction, innovation and education.

GLOBAL REACH, PERSONAL TOUCH!

About Gimaş

GIMAS Ship Supply & Services has been launched in Istanbul in 1992. We have become the leading ship supplier company in Turkey thanks to the corporate innovation approach on the first day that has carried us to a successful future.

As a company that is operating in three different countries; we are aware of how important it is to gain experience and sustain "Global Reach". We regularly

extend our operation zones with new offices and warehouses.

Our most significant aim is winning your trust; thus we invest in the future of the shipping industry with the power we get from the past.

OUR SERVICES FALL INTO THREE MAIN CATEGORIES:

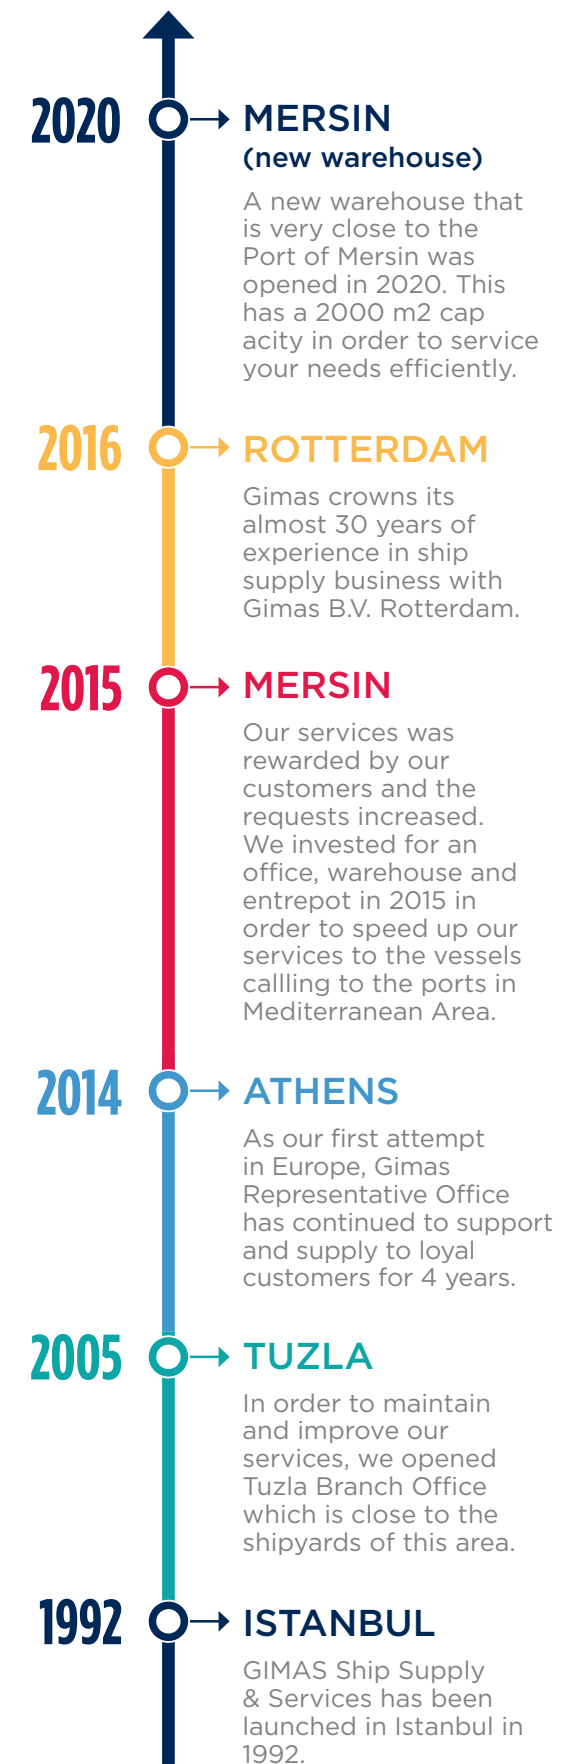

1. **General ship supply**
2. **Technical & engineering**
3. **Logistics & freight forwarding**

We offer our clients a wide variety of products covering all kinds of provisions, cabin, deck, engine stores, bonded items, stationery, galley utensils, disposables, nautical publications, spares / machinery, chemicals, maintenance products, laundry services, customs brokerage and the list goes on.

We are also representative agents for worldwide known key brands.

TIMELINE

Operation & Logistics

Port Delivery

GIMAS has services at all ports of Turkey. These services include the consolidation and distribution of all Provisions and Technical Stores required by vessels

IN GENERAL, THE PORTS ARE CLASSIFIED INTO THREE GROUPS:

1. Governmental ports
2. Municipal ports
3. Private ports

All products are supplied according to instructions and are accompanied by certification where required.

Transit Delivery

Bosphorus & Dardanelles Straits are the only sea passages to the Black Sea. Delivery to vessels passing in transit through the Bosphorus (Northbound or Southbound) constitutes quite big share of our business.

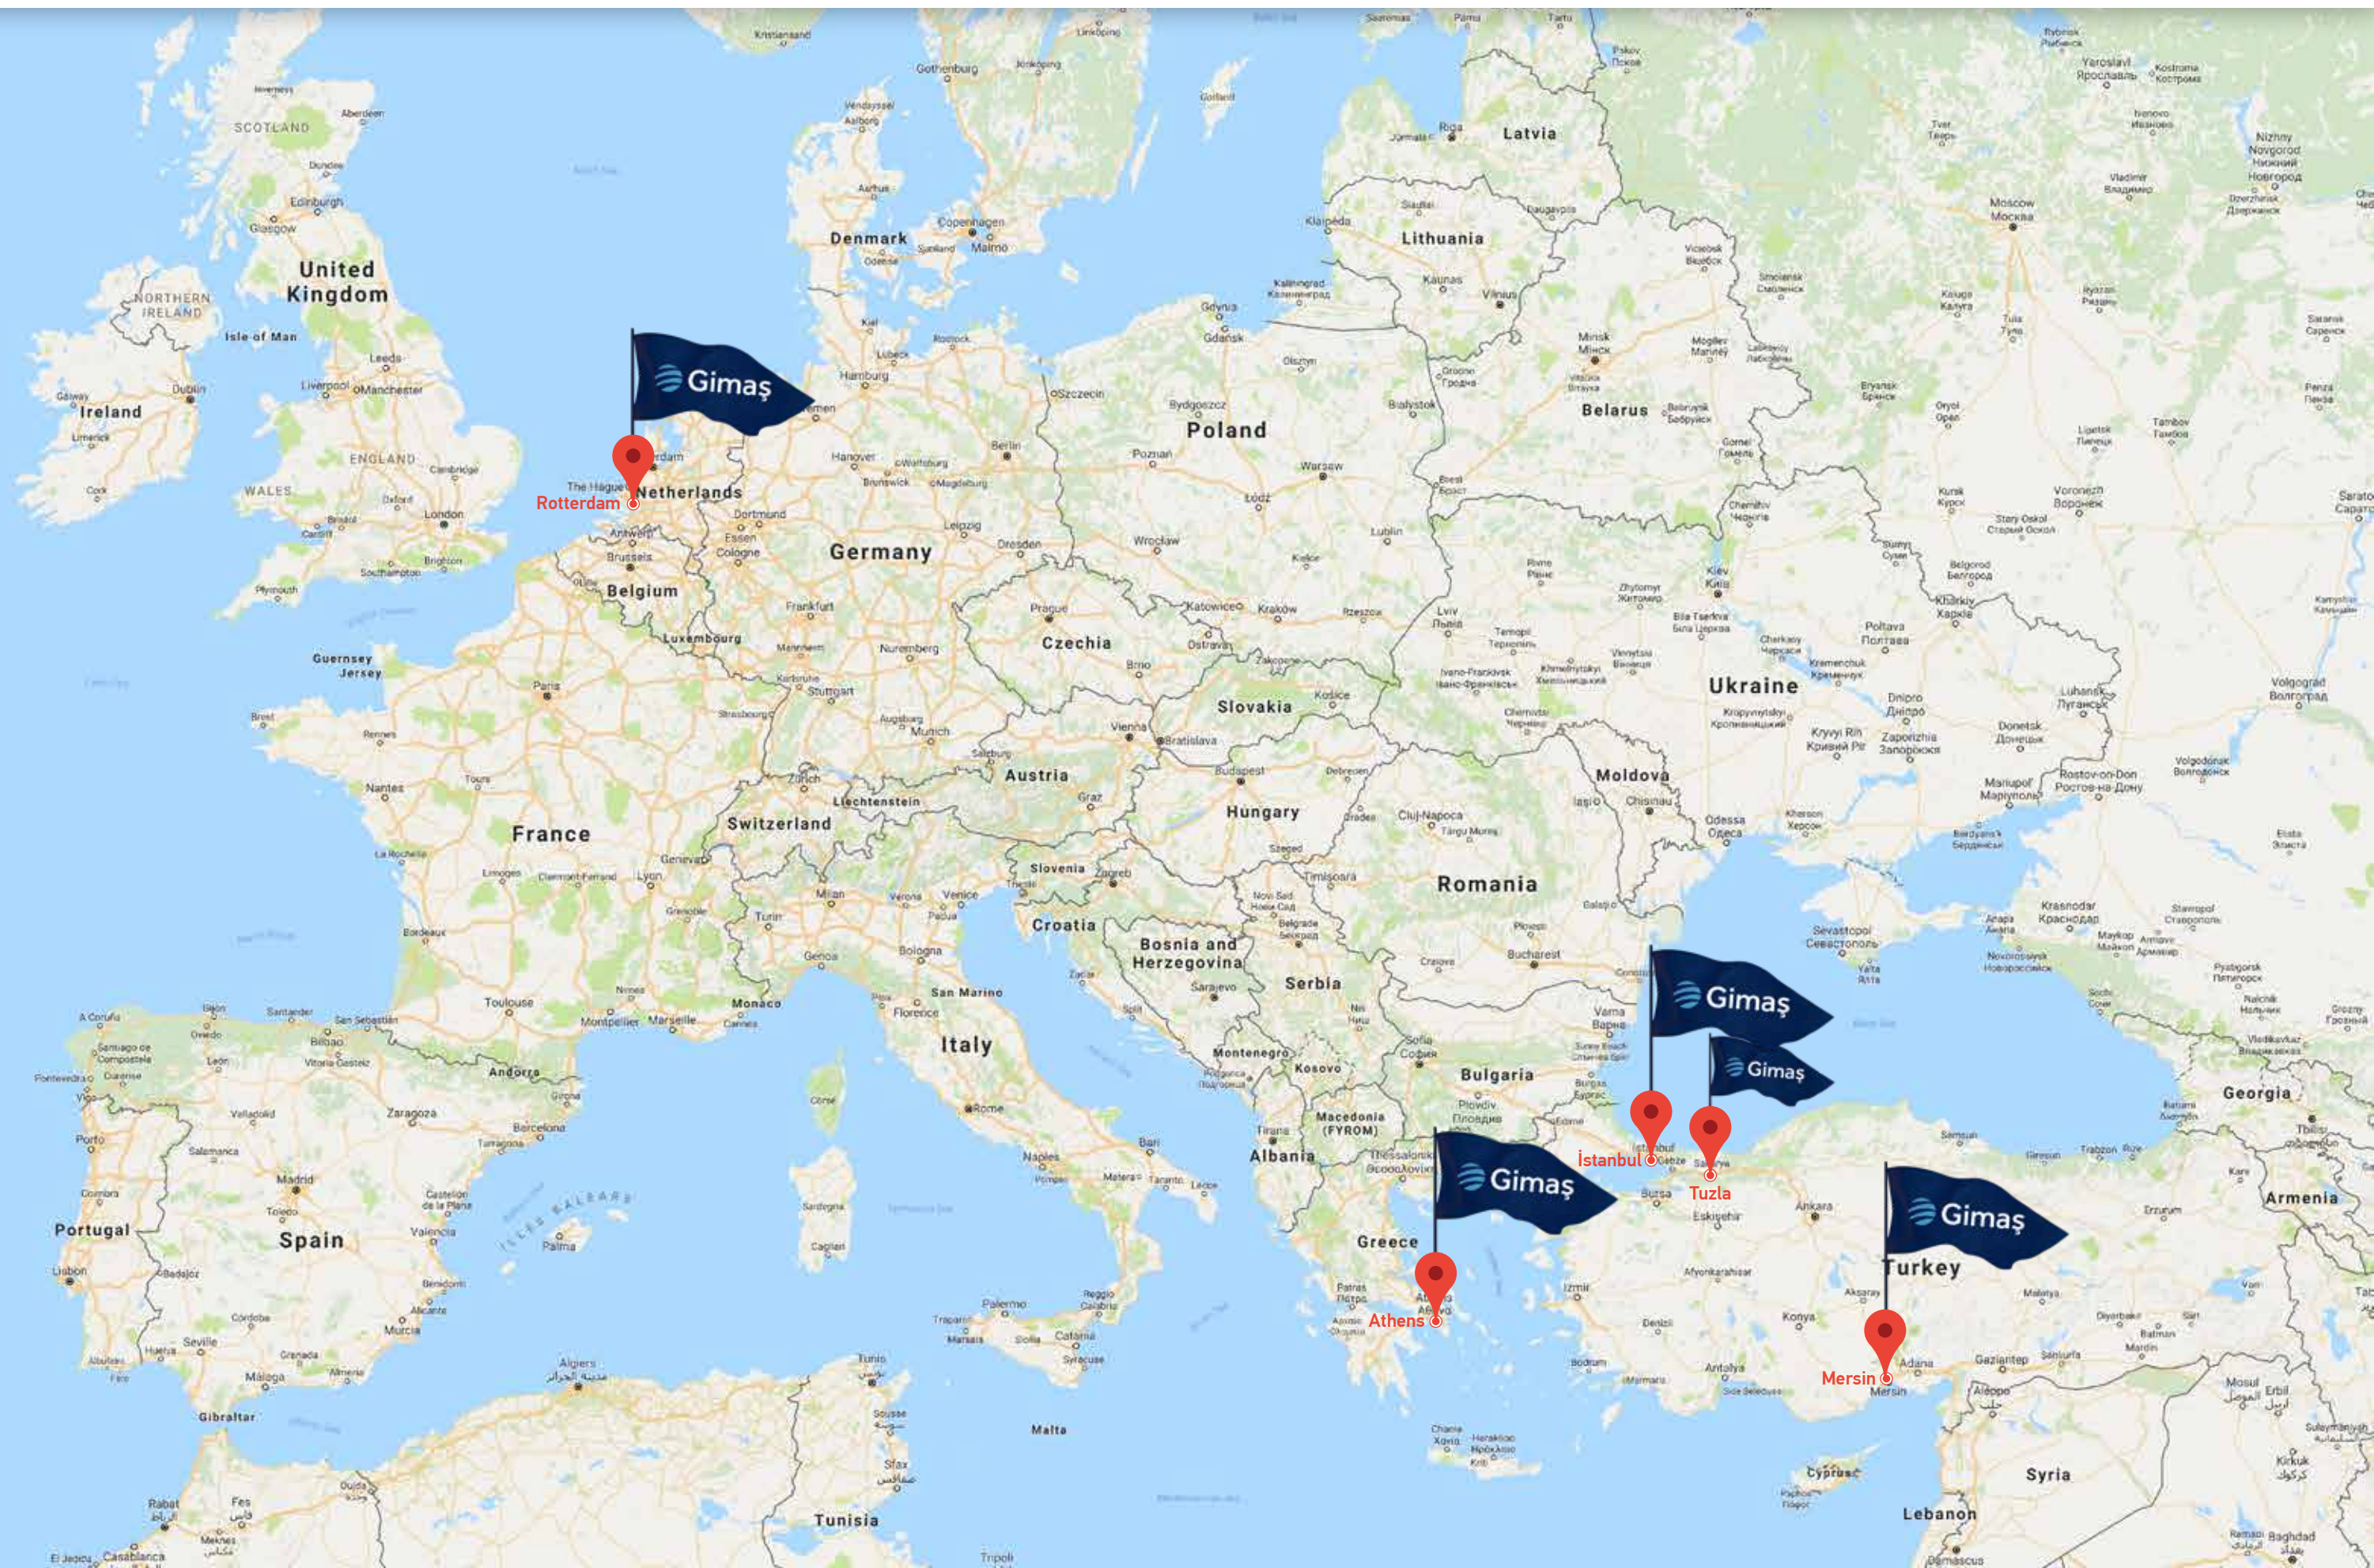

We supply transit passing vessels at slow down, without any need to drop anchor or stop engine; avoiding and delay in their operations.

**24/7
SERVICE**

Gimaş serve their customers with end-to-end supply chain technologies to integrate supplying solution and meet all possible needs.

Where we are?

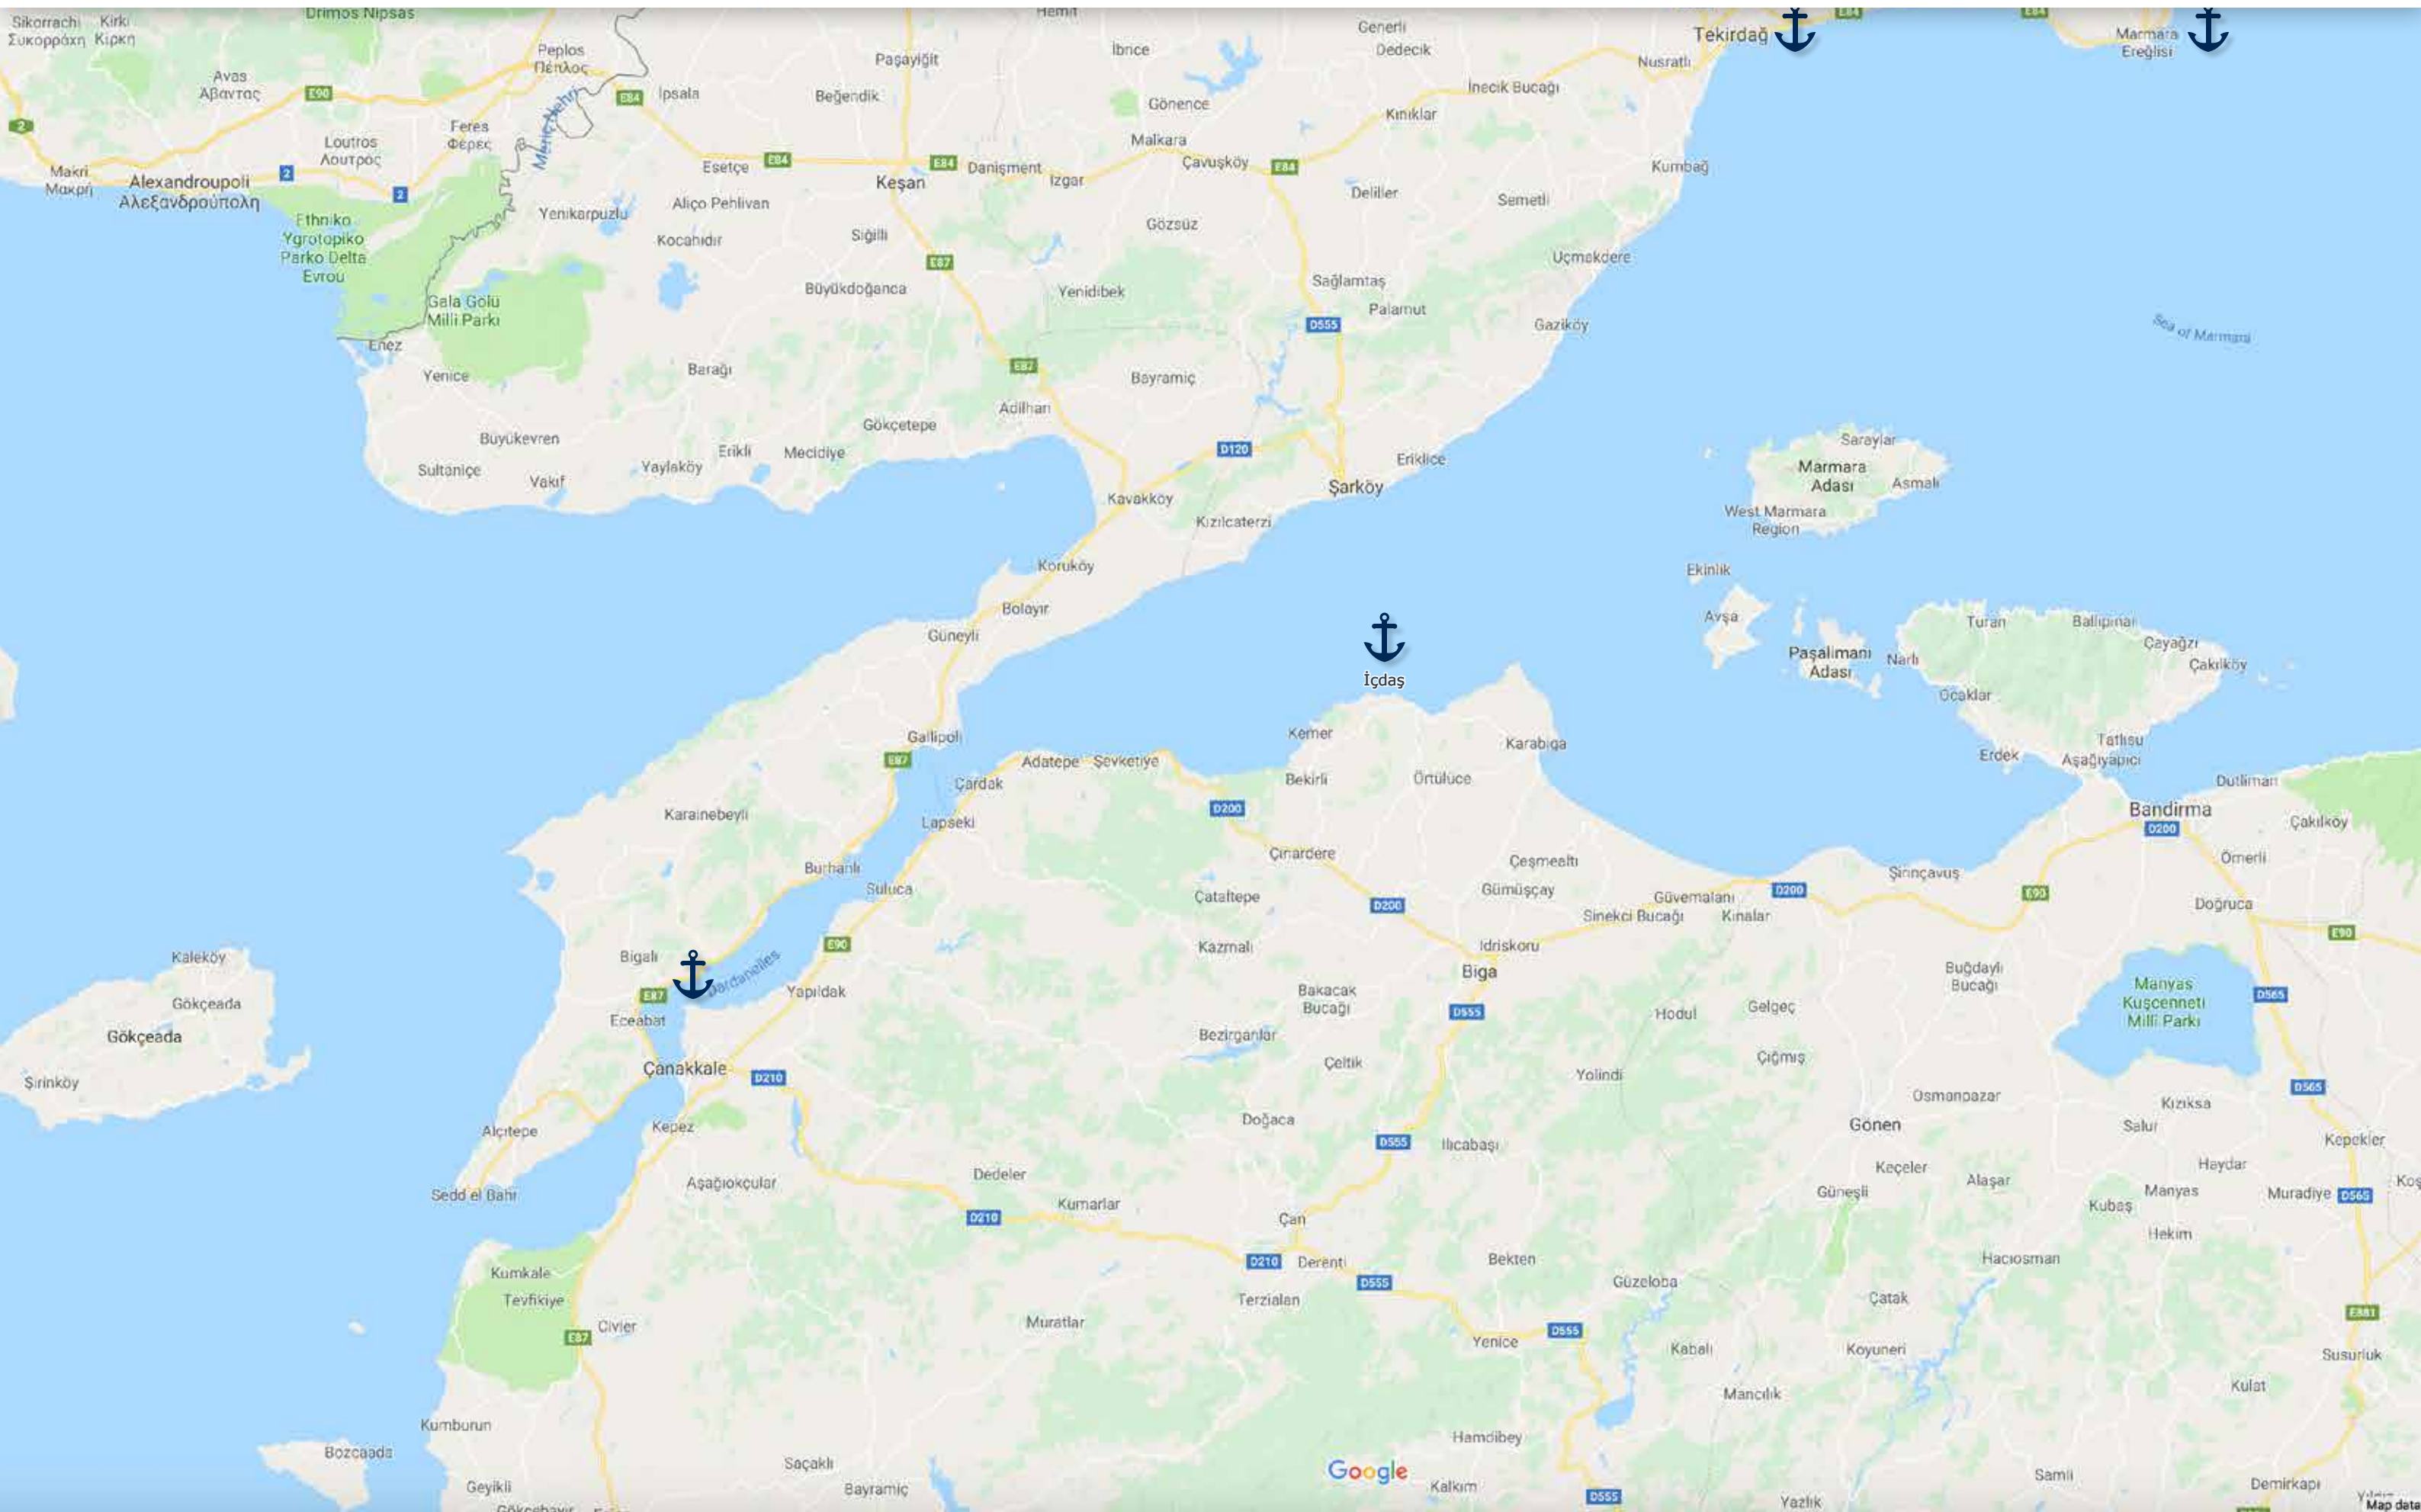

Harbours (Turkey)

Istanbul & Bosphorus

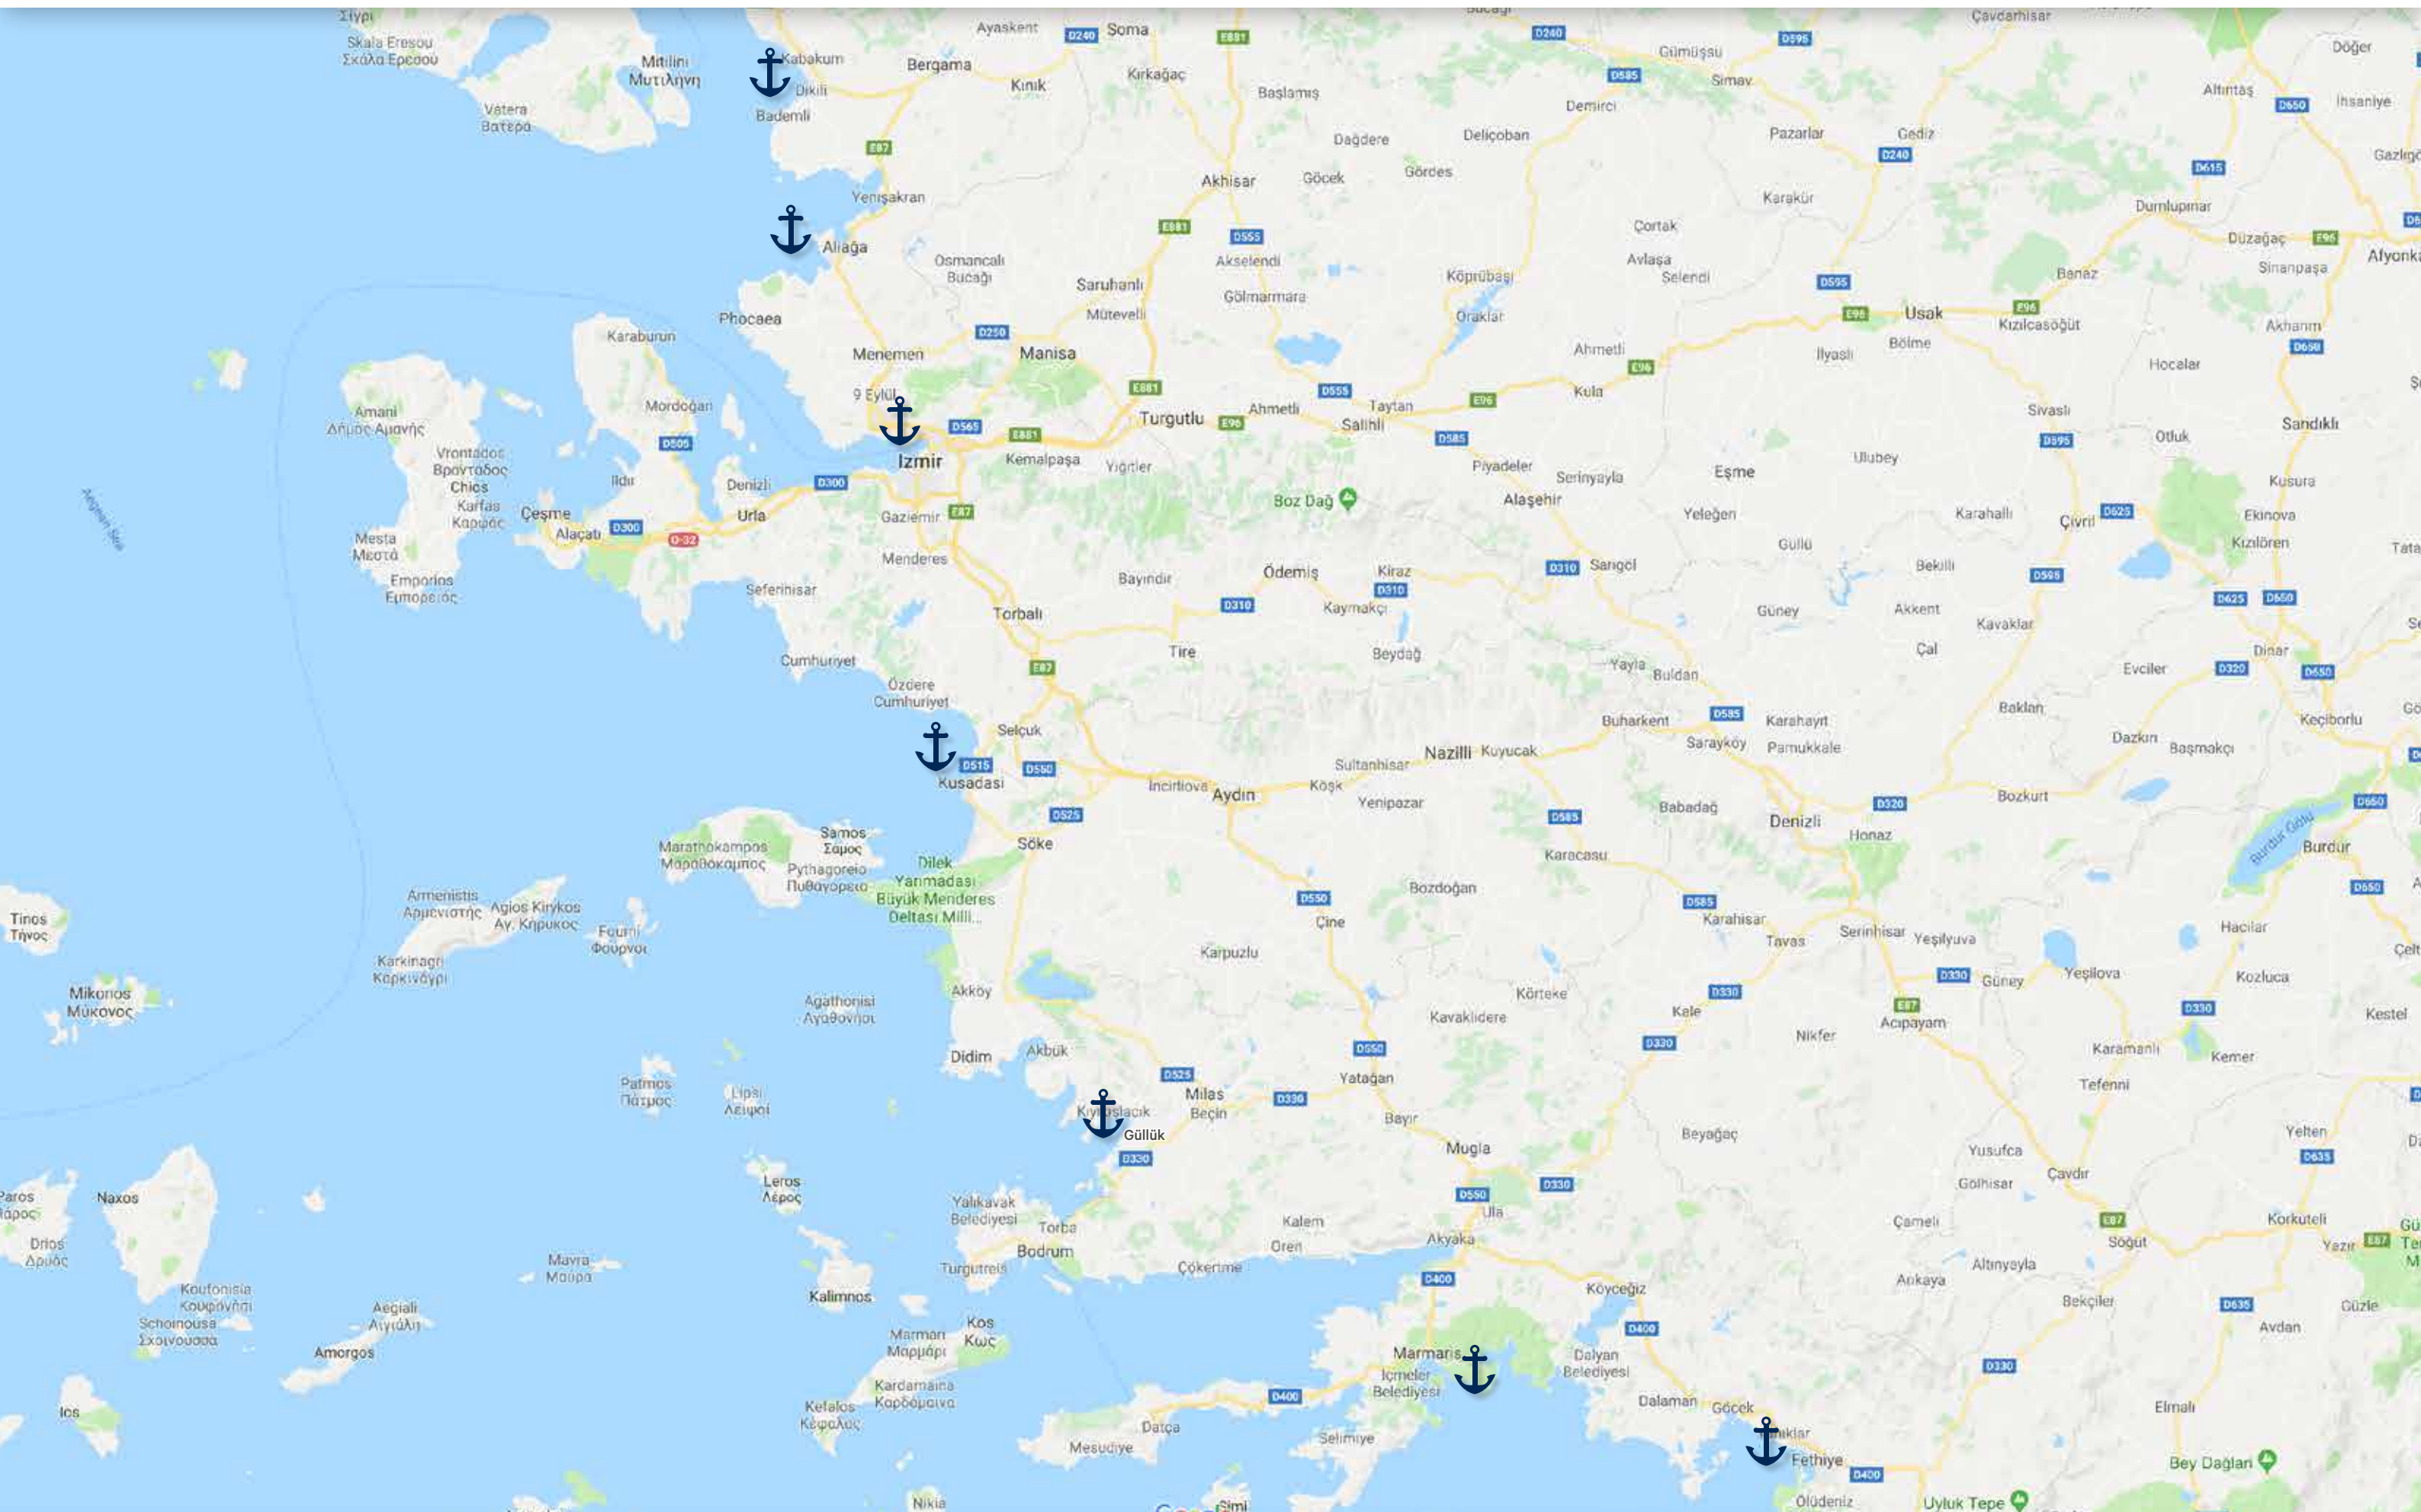

Çanakkale & Dardanelles

Izmir & Aegean Sea

This map displays the Izmir region and the surrounding Aegean Sea. Major cities and towns are labeled, including Izmir, Manisa, Turgutlu, Aydin, Denizli, and Uşak. The map also shows the Aegean Sea (Ege Denizi) and the Dardanelles (Boğaziçi). Numerous islands are visible, such as Chios (Χίος), Samos (Σάμος), and Lesbos (Λέσβος). The map includes a network of roads and highways, as well as a grid of latitude and longitude lines. Several anchor icons are placed along the coast, indicating port locations. The map is oriented with North at the top.
